

# SLAT WALL PANELS

2400mm x 1200mm

Portrait Panels can also be made up from two 1200mm x 1200mm boards one above the other. Join between two boards is not visible as fitted between grooves. This may suit your needs if you need a portrait size quickly.

(Please note that this is not an alternative with special request colours as they are all non-stock)

1200mm x 2400mm
