

MANNEQUINS

All female mannequins have a hole in each ear to display trendy accessories (as shown on model). Females (with wigs) come with hair that's flexible enough to tie back (model's hair pinned back)

Both female and males come with a stylish but discreet chrome base. Easy to fix, these mannequins stand sturdy and up straight, giving a perfect posture.

- Female mannequins are approx 175cm tall
Dress size 8/10
- Male mannequins are approx 190cm tall
Waist approx 32"

(Clothing and accessories for display purposes only, not included)

Order No. **MW1**

MALE WITH WIG

A full-bodied male mannequin to model the latest trends look great as a part of a shop window display. This male comes with a dark wig- other males are available, ring for details. With pivot limbs, different poses can be created. Wig can be removed.

Order No. **FW1**

FEMALE WITH WIG

This full-bodied female mannequin is great for modelling the latest fashions and accessories. Her limbs are on pivots to allow different poses. A discreet hole in each ear allows jewellery to be displayed. Two wigs come with the model, dark brown or black.

Order No. **MW01**

MALE WITH MOULDED HAIR

Male mannequin with stylish moulded hair style. Other males are also available with the moulded hair-style. These mannequins are hand-painted for a unique and trendy look.

Other Models Available.
Call for details.

Order No. **FW01**

FEMALE WITH MOULDED HAIR

This female mannequin has moulded hair for a permanent style. She also has flexible limbs and a hole in each ear to dress her up with your choice of accessories. There are a wide range of female mannequins available with wigs/moulded hair.
